WHAT IS RISE?

RISE is a support group centered around **Reaching, Inspiring, Supporting, and Encouraging** parents with special needs children. This group is spearheaded by NAHA's very own Cindy Senter. Cindy is a case manager for the Housing Authority's Family Sufficiency Program. By working with families first hand, she began to realize the increasing need for support for families with special needs members. "When I first started working here, I had two clients with Autistic kids. Then as time went on other FSS members would bring more residents to me that needed help or resources," stated Cindy. After coming to terms with

ents have no clue about. I want to make sure people know these sources are available to them," stated Cindy.

RISE holds meetings every month, in which any NAHA resident is more than welcome to attend. There are no qualifications or requirements.

Last month in March, RISE had the honor of hearing the story of Cari Jo Bailey, 2017 winner of the National Pageant for Special Needs Girls. She spoke of how the Miss Amazing Pageant worked and how its events focused on empowering each contestant. She also spoke about the trials and troubles they faced during this time, from battling cancer to removal of a cyst on not only her spine but brain as well. Cari's mother Tammy ended the meeting with a message for everyone to keep in mind, "Whatever comes your way in life, don't shy away from it."

If RISE is something you would like to learn more about, please contact Cindy Senter at 502-376-1415.

Bored with nothing to do? Well, grab a few friends and head over to one of the selected locations and run a full court basketball game! You and your friends can burn energy, get in some exercise, and hang out in a safe environment that is just minutes from home! So whether you're bored, need more practice, or just have a lot on your mind and need a distraction, come join us every Monday and Wednesday and leave it all on the court.

Reminder:

Please keep in mind as we head into this spring season that the mowing company will be out cutting grass. So if there is any lawn décor or lawn furniture that could possibly get damaged during this time, please move it to a safer location. Also please keep all yards free of trash so that it does not get shredded and thrown about throughout the property. Thank you again for helping the Housing Authority keep a clean environment.

FSS Successes

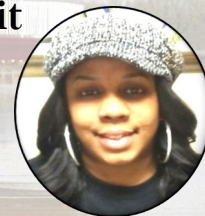

2019 has started off with a big BANG!

The Horseshoe job fair was a big success!!

After attending this hiring event at the New Albany Housing Authority, several residents have brand new jobs to celebrate the new year. Horseshoe Casino has a job that fits most needs. Horseshoe staff has hired cashiers, hotel front desk clerks, a chef for one of the many restaurants on the boat and even security and housekeeping. With great starting pay, flexible schedules, benefits and a free ride service for all shifts being offered by NAHA, this is a great opportunity. The FSS staff has been happy to provide transportation to and from interviews and then assist with setting up an individual goal plan to fit their specific needs. When a family joins the NAHA FSS program, any increase in monthly rent is deposited into a savings account for the family.

If you would like to explore opportunities & supportive services offered please give the Family Self-Sufficiency a call at **(812) 206-2050 today!**

The autism awareness ribbon is a symbol.

The puzzle pieces reflect the mystery and complexity of autism.

The colours and Shapes represent the kaleidoscope of diversity and turmoil of repeating patterns which families with autism face. The brightness of the colours represent the hope that increased awareness, and early intervention means our children can lead fuller and more complete lives.
