Hey everyone, I hope that you all had a fun and safe New Year's. I just wanted to remind everyone as we head into this tax season that as your returns start coming in and purchases are being made, please keep a few things in mind. 1. You do not want to leave the empty boxes outside on the curb. This is a sure way to let your neighbors and anyone driving by know that you have new expensive items in your home. Therefore making your home a target. You want to break down all boxes and place them in a garbage bag or tote. Yes, breaking down a flat screen tv box may be inconvenient but it's a safe way to avoid bringing unwanted attention to your home. 2. Do not forget to take note of all serial numbers of your purchases. Should anything come up missing, it will be easier to track down with those numbers. Thanks guys!

SENIOR STUDENTS AND PARENTS

Now is the time to start planning to complete the financial assistance process to attend college. This process begins by completing the FREE application for Federal Student Aid or FAFSA. For the upcoming academic year there are three options available for filing.

1. File Electronically. To do so go to www.FAFSA.ed.gov. Students and parent will need to log in to <https://studentaid.gov/FSAID> to create an ID for both student and parent. This means parents are required to sign the FAFSA.
2. Request a FAFSA by calling the Federal Student Aid Information Center at 1-800-433-3243. Students may request up to 3 copies of the paper application.
3. A portable document file (PDF) version of the FAFSA will be available for download at <https://studentaid.ed.gov/sa/fafsa/filling-out>. Students then can complete the form and mail it into the address provided.

File by **APRIL 15, 2020** or your college's deadline for the best chance of assistance.

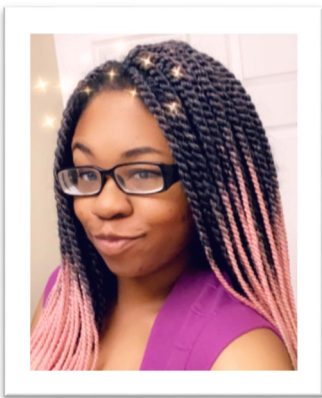

Greetings! My name is Lauren Taylor, the current resident commissioner for New Albany Housing Authority. You may ask, what is a resident commissioner? A resident commissioner is a member of the governing board who acts as the voice of the residents. As a commissioner, I can help implement policies and programs that assist & serve our families. My favorite part as commissioner is being able to have a voice for the resident. Being able to communicate our needs and establish the best for the residents is what I strive for.

As a resource for the residents, I want to make sure your voice is always heard. Please don't hesitate to reach out, my email is

Residentcommissoner@nahain.org.

February is the month dedicated to love. Well, when we think of love, it is not always your job that tops the list. How fortunate to truly love what you do? Brittany Baker has been working full time at Silvercrest assisted living facility since 2016. She will tell you first hand “I LOVE my job!” Even though she loved working with the seniors at Silvercrest Brittany was also a full time mom of 3 children. The full time day schedule was not compatible with her children's schedules. It was a hard decision but she decided to go PRN about a year ago with Silvercrest. This way she still kept her job but had a more flexible schedule. Brittany then was offered a job at White Castle as a crew member. Within the past year Brittany has been promoted to a third shift manager at White Castle This allows her to be more hands on and present for her three kids during the day. Now Brittany likes to say “I love both of my jobs! I can work at Silvercrest as needed and am now earning good pay at White Castle. I love the fact that I am getting a big portion of my rent set aside into an escrow savings account with FSS. I have plans to advance further with my goal of buying a house!” The balancing act of family and work is tricky but rewarding when you LOVE what you do!

Call to join FSS today! We can help you find the right balance for success.

TOBACCO QUICK FACT

February: Breaking Up with Chew

Love your health enough to become educated on the dangers of tobacco use. **Through with Chew Week** is an annual effort to educate people about the harmful effects of smokeless tobacco. Tobacco companies market smokeless products as safer alternatives to cigarettes, but there's no such thing as a safe tobacco product. Smokeless tobacco products cause gum disease, heart disease and precancerous mouth sores. Love yourself and say goodbye to tobacco! Don't get burned by smokeless tobacco. For more information, visit www.cadca.org/resources/participate-through-chew-week. Call 1.800.QUIT.NOW for additional resources to quit.
