DOING THE MOST GOOD®

It feels as if summer has just begun, but don't forget that soon it will be time to head back to school. There will be plenty of back to school events that you do NOT want to miss out on. Salvation Army will be holding their 'Back to School' clothing give away on July 23rd from 9 am to 7pm. This event will be held at the Thrift Store in Clarksville, IN. Also don't forget to attend NAHA's very own 'Back to School Bash' located right here at our 300 Erni Ave Gymnasium, July 25th. This event will be from 1pm to 4pm so don't be late! Come out and take advantage of the FREE haircuts, school supplies, sports physicals, and eye exams. You won't want to miss this!

OVERTIME POLICY UPDATE

As of 6/1/2019 the revised maintenance overtime policy is in effect. The following calls will be answered at no charge to the resident 24 hours a day, 7 days a week, including holidays: **Fire, gas leak, water line break, flooding water, electrical problems, and no heat** (if temperatures is below

50 degrees). The following calls will be answered WITH a charge per hour to residents and only DURING set time frames on weekdays (**not on holidays and weekends**): **Lock out, lock changes, damage to doors or windows, electrical breaker reset and toilet clogged.** To see the full over-time policy please visit your rent office. Please call 812-945-2795 for all maintenance work orders or maintenance emergencies.

Thank you all for helping the New Albany Housing Authority keep a clean and safe campus!

Family Self-Sufficiency

This month's Family Self-Sufficiency success is Shacoya Long. Shacoya has been striving for success ever since she joined FSS in **2015**. We have highlighted Shacoya in past years, but she continues to amaze her case manager, Cindy Senter, with her accomplishments. Shacoya has 2 small children, and she grew up right here on our Broadmeade campus. As a young girl, Shacoya participated in our youth programs and has always stood out as a cheerful go-getter! Shacoya has been a shining star at the jobs she has held, developing quality skills that have led her to her current career opportunity! Shacoya has just completed Extended Dental Training, and is now finishing up her practicum hours at Mortenson Dental office. She is performing teeth cleaning, X-rays and assisting the dentist in patient exams. This is a career that will benefit and transform her family. If you have thought about a career in the Dental field, call Family Self Sufficiency.

APPLY for a \$1000.00 scholarship TODAY!

Just For You

The summer heat, the smell of hamburgers and hot dogs on the grill, and the sound of fireworks can only mean one thing: it's the Fourth of July.

The Fourth of July can be a fun time with great memories. But before your family celebrates, make sure everyone knows about fireworks safety.

More fires are reported on the Fourth of July than on any other day of the year in the United States. Nearly half of these fires are caused by fireworks. The good news is you can enjoy your holiday and the fireworks, with just a few simple safety tips:

The safest way to enjoy fireworks is to attend a public display conducted by trained professionals.

Kids should never play with fireworks. Things like firecrackers, rockets, and sparklers are just too dangerous. If you give kids sparklers, make sure they keep them outside and away from the face, clothing, and hair. Sparklers can reach 1,800° Fahrenheit—hot enough to melt gold.

Only purchase legal fireworks with the manufacturer's name and directions; and store them in a cool, dry place.

Never try to make your own fireworks.

Always use fireworks outside and have a bucket of water and a hose nearby in case of accidents.

Steer clear of others—fireworks have been known to backfire or shoot off in the wrong direction. Never throw or point fireworks at someone.

Don't hold fireworks in your hand or have any part of your body over them while lighting. Wear some sort of eye protection, and avoid carrying fireworks in your pockets—the friction could set them off.

Point fireworks away from homes, and keep away from brush, leaves and flammable substances.

Light one firework at a time and never relight a dud.

Don't allow kids to pick up pieces of fireworks after an event. Some may still be ignited and can explode at any time.

Soak all fireworks in a bucket of water before throwing them in the trash can.

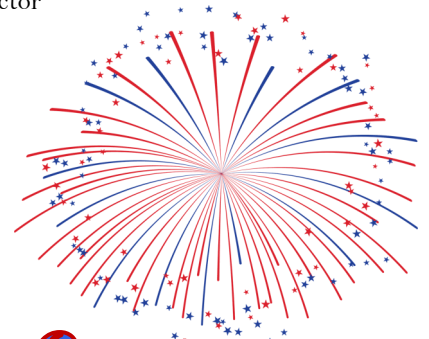

Think about pets. Animals have sensitive ears and can be extremely frightened or stressed on the Fourth of July. Keep pets indoors to reduce the risk that they'll run loose or get injured.

If a fire occurs call 911 immediately. Do not try to put out a working fire yourself.

Teach everyone that if clothing catches on fire, stop running, drop to the ground, and roll to smother the flames. Fanning the flames make a fire burn faster. Shout for help. Don't run for help. Drop to the floor and cover your face. Roll back and forth to put out flames. Cool a burn with cool water.

Fireworks are meant to be enjoyed, but you'll enjoy them much more knowing your family is safe. Take extra precautions this Fourth of July and your holiday will be a blast!
