## Back to School

### We have been Busy here at the New Albany Housing Authority!

We had an amazing turn out for our 2nd Annual Back to School Bash and Health Fair!! Over 400 people were in attendance. Three hundred students received backpacks and school supplies. Ninety-seven hair cuts by local barbers and hair stylists and 73 people received free eye exams! Over 15 vendors were on site to answer questions and to help get our children back to school!! Next year will be bigger and better so don't miss out!

### Thank You

We're happy to have all of our residents back at Riverview Tower! It was a stressful two weeks for everyone and we appreciate their patience and understanding. A huge thank you to the NAHA staff for all of their hard work, to the City of New Albany for their support, and to all of our community partners like LifeSpan, Hope Southern Indiana, and the Salvation Army, who stepped in and provided assistance to our residents.

# New Albany Housing Authority is SMOKE-FREE!

As of **August 1st, 2018**, all new and current residents are required to adhere to the new Smoke-Free Policy, which applies to all residents, guest, and employees.

**There will be no smoking anywhere in the unit rented, in the building where the unit is located, or in any common area or any adjoining grounds, terraces, balconies, or other parts of the residential community. All New Albany Housing Authority property will be designated as a smoke-free living environment.**

The term "smoking" means inhaling, exhaling, breathing, or carrying any lighted or heated cigar, cigarette, pipe, water pipe tobacco (hookahs), or other tobacco product or similar lighted product in any manner or in any form. This definition includes all e-cigarettes and other electronic nicotine delivery devices (ENDS).

***If you are interested in learning more about a smoke free environment, or if you are a smoker who would like to quit smoking, the Housing Authority has resources to help. Please contact your Property Manager for more information.***

# FAMILY SELF SUFFICIENCY SUCCESS

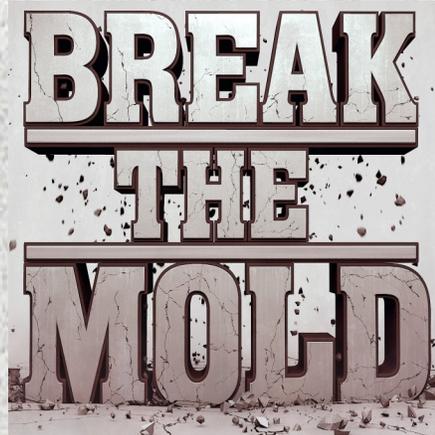

Jalisa is a hardworking mother who came here to New Albany Housing just this year. She was determined to make it after a lot of life struggles. She showed up for FSS orientation with an eager and infectious smile. She started working at Dairy Queen that week and soon after she was offered an opportunity to complete management training! Still battling day to day with raising her daughter and staying afloat with household responsibilities, she has maintained her employment and was offered a chance to further her career with Dairy Queen as a General Manager! Jalisa has completed her GM training and is in the process of furthering her education and plans to continue setting goals for herself and leading by example for her daughter and all who may need to be inspired. On top of all these accomplishments, Jalisa is getting ready to take her High School Equivalency test.

*Call FSS today so we can be your personal cheerleaders!*

# New Albany Housing Authority Smoke-Free Policy *Effective date: August 1, 2018*

**1. Purpose of Smoke-Free Policy.** The New Albany Housing Authority (NAHA), in issuance of this Lease Addendum, is setting a standard to reduce the known health effects of secondhand smoke, to reduce the increased risk of fire from smoking, to reduce the cost of unit turnover due to smoking, and in general to make NAHA property a more healthy environment for all. The U.S. Department of Housing and Urban Development (HUD) has mandated housing authorities to adopt smoke-free policies.

**2. Definition of Smoking.** The term “smoking” means inhaling, exhaling, breathing, or carrying any lighted or heated cigar, cigarette, pipe, water pipe tobacco (hookahs), or other tobacco product or similar lighted product in any manner or in any form. This definition includes all e-cigarettes and other electronic nicotine delivery devices (ENDS). Under Indiana law, it is illegal to smoke illegal substances such as methamphetamine, marijuana, crack cocaine, heroin, etc.

**3. Smoke-free Campus.** Resident agrees and acknowledges that the premises to be occupied by the Resident and members of the Resident’s household have been designated as a smoke-free living environment. The Resident and members of the Resident’s household shall not smoke anywhere in the unit rented, in the building where the unit is located, in any common area or any adjoining grounds, terraces, balconies, or other parts of the residential community, or in a vehicle on NAHA property, nor shall the Resident permit any guest or visitors under the control of the Resident to do so. The use of electronic cigarettes is also prohibited in all mentioned areas as well.

**4. Resident to Promote Smoke-free Policy and Alert Landlord of Violations.** The Resident shall inform the Resident’s guests of the smoke-free policy. Further, Residents shall promptly give Property Manager a written statement of any incident where secondhand smoke is migrating into the Resident’s unit from sources within the building.

**5. NAHA to Promote Smoke-free Policy.** NAHA shall post no-smoking signs at the entrances and exits, common areas, hallways, and in conspicuous places on the campus.

**6. NAHA is Not a Guarantor of a Smoke-free Environment.** The Resident acknowledges that NAHA’s adoption of the smoke-free living environment, and the efforts to designate the campus as smoke-free, do not make NAHA or any of its managing agents the guarantor of Resident’s health or of the smoke-free condition of the Resident’s unit and the common areas. However, NAHA shall take reasonable steps to enforce the smoke-free terms of its leases and to make the campus smoke-free. NAHA is not required to take steps in response to smoking unless NAHA knows of said smoke and has been given written notice of said smoking.

**7. Evidence of Policy Violation.** The following is evidence of a policy violation:

- a. Observed smoking by a New Albany Housing Authority staff member
- b. Cigarette butts, in or immediately surrounding the unit
- c. Ashtrays (containing ashes and/or butts)
- d. Hookahs or other water pipe accessories
- e. The presence of nicotine on the unit’s furnace filter

**8. Effect of Breach and Right to Terminate Lease.** The follow procedures will follow violation of this policy:

**1<sup>st</sup> Violation:** If a first violation occurs, the household will receive a verbal warning at the time of the violation. Documentation of the incident will be added to the Head of Household’s file.

**2<sup>nd</sup> Violation:** If a second violation occurs, the household will receive a written warning and smoking cessation materials. Documentation of the incident will be added to the Head of Household’s file.

**3<sup>rd</sup> Violation:** If a third violation occurs, the household will receive a notice to attend and complete a required hazards of smoking or smoking cessation class. Proof of class enrollment, including the verification letter attached to the notice and a receipt (if applicable), must be submitted to the property manager within 30 days of the notice. A class completion certificate must be turned into the property manager by the date given on the notice. **If both of these steps are not completed in the allotted time, it will be grounds for the eviction process to begin.**

**4<sup>th</sup> Violation:** If the policy is violated after household members have completed smoking cessation classes, the eviction process will begin.

**9. Disclaimer by NAHA.** NAHA’s adoption of a smoke-free living environment and the efforts to designate the rental community as smoke-free do not in any way change the standard of care that NAHA would have to a Resident household to render buildings and premises designated as smoke-free any safer, more habitable, or improved in terms of air quality standards than any other rental premises. NAHA specifically disclaims any implied or express warranties that the building, common areas, or Resident’s premises will have any higher or improved air quality standards than any other rental property. NAHA cannot and does not warranty or promise that the rental premises or common areas will be free from secondhand smoke.
