This year the New Albany Housing Authority Holiday Parties were bigger and better than last year! We had so much fun! The Wulfe Brothers provided the entertainment, over 70 bikes and scooters were donated by community partners and given to children at the parties. Pizza and drinks were provided by the New Albany Parks Department. Every child left with a small gift from Santa and a bag of goodies. Hope to see you at the next Holiday Party or event!

We want to say thank you to every single person who donated to the event, volunteered, and worked to help share holiday cheer with our families!

From the staff of The New Albany Housing Authority

"I would like to compliment Linda Crawford for kindness, time, and help in an important matter to myself.

Thank you Linda!" 😊

Jessica St. John

PARKING:

Any vehicles parked by the yellow lines or parked the opposite direction of traffic will be towed immediately without further notice.

This includes all tenants and guest vehicles.

Extraordinary FSS Successes!

Step 1 of Community College!

The FREE 8 week college introductory class was held right here at NAHA! The students met every Tuesday from 10 am to 12 pm at the 300 Erni Bldg. The class was designed to increase self-awareness, explore career options and give a general overview of IVY Tech Community College. This course enabled all our resident students to acquire IVY Tech logins, create a school e-mail and get started with a structured game plan for

SUCCESS! Each student met personally with a school advisor, toured the IVY Tech campus and ate lunch with IVY Tech staff. Students also received college apparel and even better, 6 of the students registered to continue going to school at IVY Tech and will be starting their individual degree programs Spring of 2019.

What are YOU waiting for?

The next **FREE** IVY Tech class starts in March 2019.

Eulogy to Depression

Today I'd like to pay my respects to depression and its many side effects... sadness, anger, low self-confidence, heart break and despair.

You were a part of my life in more times than I can count.

Carried me to places even I didn't know I could go. Places I wouldn't fathom sharing.

Places unspoken and misunderstood by many.

WE shared a private yet passionate relationship that many didn't respect or understand.

We did everything together hand in hand. Work, sleep, travel, church all together.

I laugh sometimes because people thought church would run you away, but you were a true friend of sorts Never Leaving.

You remained a fixture.

Your weight was unmeasurable, Grasp unmovable. We were a team.

It was taxing from the moment we met but reluctantly I pressed on.

Our relationship was personal and one of a kind.

You were successful in so many ways, I envied you for that.

Today I'm grateful for our experiences. They taught me so much about who I am and who I strive to be.

About strength, character and what love really is.

I'm grateful for your end and my beginning.

Today marks a pivotal moment for us.

YOU being laid to rest and new lease on life for me.

A true Celebration of life.

As my grandmother would say don't turn over in your grave when you see me happy but rejoice and be glad in it. And I won't weep for you.

If you want a little help and support...

Call: 812-981-2594

Rest assured I'll never forget the time we shared together but I'm so excited to see you go, so I can become a better me!

Today you are gone but certainly not forgotten.

Depression MY Rivalry!
