A PUBLICATION OF THE NEW ALBANY HOUSING AUTHORITY

Neighborhoods

Published and edited by Christal Stephenson

What Home Means To Me

“The poster contest is an amazing annual event that allows children who reside in affordable communities to share their ideas and feelings about the important mission of housing and community development agencies,” said Clifton Martin, Chair of the Housing America Task Force. “More importantly, their stories and artwork inspire those of us administering these programs to keep creating, designing and building safe and viable housing resources so these children can achieve their dreams.”

This year we had 6 participants:

Annabella Waltermeir, age 6
Jonathan Cooper, age 10
Katrina Johnson, age 10
Zedric Porter, age 11
Jasmine McPherson, age 15
LeiAsia Porter, age 17

A Special Congratulations goes to Johnathan Cooper for winning 1st place in the Regional Competition!

THE COMMUNITY NEWS

June

Beginning **August 1st, 2018**, all new and current residents will be required to adhere to the new Smoke-Free Policy, which applies to all residents, guest, and employees.

There will be no smoking anywhere in the unit rented, in the building where the unit is located, or in any common area or any adjoining grounds, terraces, balconies, or other parts of the residential community. All New Albany Housing Authority property will be designated as a smoke-free living environment.

The term "smoking" means inhaling, exhaling, breathing, or carrying any lighted or heated cigar, cigarette, pipe, water pipe tobacco (hookahs), or other tobacco product or similar lighted product in any manner or in any form. This definition includes all e-cigarettes and other electronic nicotine delivery devices (ENDS).

If you are interested in learning more about a smoke free environment, or if you are a smoker who would like to quit smoking, the Housing Authority has resources to help. Please contact the office for more information.

NO SMOKING HERE

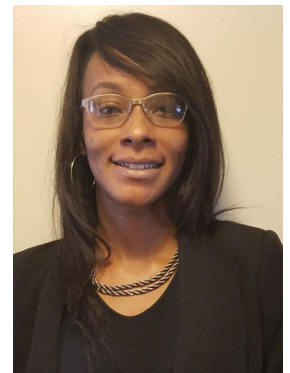

Greetings Neighbors,

Summertime is finally here! The time of the year we're all looking forward to enjoying fun in the sun, summer vacations and our greatest resource, each other. Despite our personal journeys, our common factor is our shared community. What some people may refer to as 'units' or 'public housing', we call home for our families. Our community provides a sense of stability, bonds from shared experiences and a sense of "it takes a village..."-a community worthy of pride.

I can recall several neighbors who are always sharing resources; whether its information, personal items/food or always 'looking out' for you. I'm sure you can too! As members of this community, let's honor each other with 'Name that Neighbor'. 'Name that Neighbor' recognizes neighbors who go above and beyond to help others and instill sense of community. Share your stories & 'Name that Neighbor' at Residentcommissioner@Nahain.com with #itTAKESaVILLAGE so he/she can be recognized.

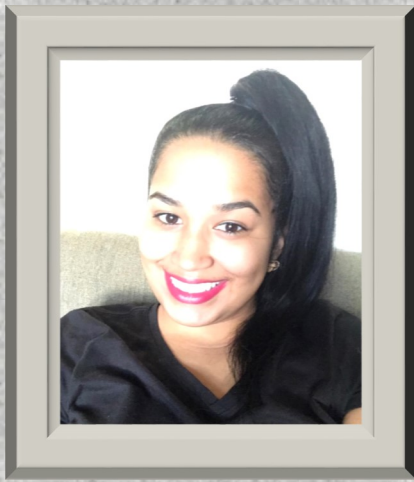

As always, feel free to reach out to me with suggestions or concerns at ResidentCommissioner@nahain.com.

FSS SUCCESS

Taylor Anderson entered the FSS program in 2017. A single mom with her baby boy and a High School Diploma, she was determined to obtain the skills needed for a professional, well-paying position. Taylor wanted to be exposure to a professional work environment. She enrolled in the FREE Dress for Success six week Track for Success workshop. She was able to create a resume, learn workplace etiquette and develop skills. She was also given a work wardrobe.

Taylor then completed Boot Camp with WorkOne. She had previously worked as a childcare aide making just above minimum wage. After entering the work experience program at WorkOne, she was placed in a *paid internship* and was able to make more than minimum wage in the same position. After completing her 6 month internship, she was able to move on to another internship with New Albany Floyd County Library where Taylor was offered a permanent position. After that year of work experience she received through the program, she was able to attain a higher paying position and is closer than ever to becoming a self-sufficient mom! Come to FSS and find out how you can learn about new opportunities.
