"I would like to give a good word of compliment about one of NAHA's own Ms. Janice. I love how she helps people around here and always has a kind word for anyone. She is GREAT!"

Family Self-Sufficiency Success

Liz Blessing started teaching at the NAHA Family Self Sufficiency computer lab in 2011. In the eight years that Liz has been here, **61** students have gotten their

high school equivalency diplomas. Some people already had diplomas when they came in to class. They wanted to improve basic skills in reading, math, or language. Most of them obtained their goal. Mainly, they used this to help them when they started college or applied for jobs. Some people wanted to improve their skills so that they could help their children with their homework. This year, we had scholarships for CNA and Home Health training for enrolled students who met the requirements. Eleven of the NAHA students completed training for CNA Certificates.

Liz Blessing

Liz Blessing: *"I have very much enjoyed teaching at NAHA. Everyone has been so kind and supportive. My students were respectful and had good attitudes toward their education. Because I have always loved what I do, retirement is a bittersweet experience for me. I can't think of a more rewarding profession than teaching."*

Patty Stilwell

While it will be sad saying 'goodbye' to Liz, we are excited to be saying 'hello' to our new teacher, Patty Stilwell. Patty starts the end of July and is eager to get going. Come to our FSS 215 Erni Ave. computer lab and get started on your future. Patty will be here Tuesday thru Thursday from 9 am to 1 pm. Or give her a call at (812) 207-2664
