Dear Santa,  
Define "naughty"

Hey guys, It's me Jake! With the holidays coming up I just want to give you a few holiday reminders!

1. Be mindful of who you have over in case they are on the Ban List. We understand the holiday season is for family time but if they are on the Ban list they are not permitted to be on property.
2. Don't forget to make sure you lock your doors to keep all the presents Santa delivered safe.
3. A small tip from me to you, make sure you write down or take pictures of serial numbers of the presents you get. In case something goes missing you are able to give the serial # to the police.

That's all I have this month.

Happy Holidays!

## Winter Tips!

As Winter approaches, on those freezing temperature days, to help prevent pipes from freezing and/or bursting, please let the water drip in the kitchen and bathroom sinks. Please open cabinet doors under kitchen sink to allow heat to reach the pipes.

Also around this time, the use of portable heaters increases. Electric or gas heaters are very handy to supplement insufficient heat in homes and other areas; however, they can create hazards if not used properly. Without careful monitoring, heaters can create an electric shock hazard, burns to users, carbon monoxide poisoning, fires, or possibly even explosions. A few key things to keep in mind with heaters are to place the heater and electrical cord out of the main walk area of a room so they do not become a trip hazard. Maintain at least 36 inches between the heater and any flammable material including beds, clothing, furniture, curtains, or other flammable materials. Never drape or lay materials, such as wet clothing, over a space heater. Never leave a portable heater unattended and always provide proper ventilation. Following all manufacturer warnings and instructions will guarantee a safe winter for everyone!

## Santa Claus is Coming to Town!

It's that wonderful time of year again, which means it's time for NAHA's annual Christmas parties! Come join us for holiday music, refreshments, and the infamous bike raffle! That's not all though, Santa will arrive at 4:00pm, and you don't want to miss that.

There will be two opportunities for you to come see Santa and partake in party activities. December 4th the holiday fun will be held at the Riverside Community Room and on December 5th all festivities will be held at the Parkview Terrace Gymnasium. Please keep in mind that you **MUST** be present for the bike raffle drawing in order to win a bike. Oh, and don't forget. Santa is watching!

# Family Self Sufficiency *Success*

***“Success means I’m at liberty to help others reach THEIR success,***

Tetra Briggs has a lot to smile about today. She will tell you herself that it has been a tough journey to get where she is at today, but now looking back it seems all worth it! In 2014, Tetra, her baby daughter, Jayla, and young son found themselves homeless and living in a shelter at Volunteers of America in Louisville KY. They were thrown a life line from across the Ohio River by way of an available affordable apartment in New Albany Housing Authority. Tetra reached out and began the process of pulling her and her family out of a bad situation and into a better way of living. Tetra moved into her apartment with not much more than what her small family was wearing. She was able to walk over to the Family Self-

Sufficiency office and complete her application and enrollment. Along with her case manager, Stacy Eley, Tetra created a goal plan and set out to build her new life. Tetra got a job at Taco Bell. In the beginning she walked everywhere, as she had no transportation. She would run into the FSS staff each morning on her way to drop her daughter at daycare so she could get to work. When her daughter started school, Tetra was able to get involved with the after school programs and made sure that her child was able to participate in school plays and activities. Tetra committed herself to her job and became a shift leader. Tetra stayed at Taco Bell for 5 years. Tetra persevered and it paid off BIG. Just recently the FSS department was looking to hire an AmeriCorps Member to work with families in financial education and obtaining better jobs. Tetra interviewed and out of 5 candidates was chosen as the top person for the job. All those years at Taco Bell worked to her advantage, as she learned customer service, leadership and record keeping. All these transferable skills made her the very top pick to do the job with FSS. Tetra Briggs is a huge success. She is here at the FSS office and wants to help you find employment and start your very own journey to success!
