World Day of Social Justice

Social Equality Justice Day is a day recognizing the need to promote efforts to tackle issues such poverty, exclusion and unemployment. Social justice is an underlying principle for peaceful and prosperous coexistence within and among nations. We uphold the principles of social justice when we promote gender equality or the rights of indigenous peoples and migrants. We advance social justice when we remove barriers that people face because of gender, age, race, ethnicity, religion, culture or disability. I would like to share a few days that are celebrated in the month of February that have contributed to social justice.

Rosa Parks Day

Rosa Parks Day is an American observance to honor civil rights activist Rosa Parks, who was known for refusing to give up her seat on a bus. Rosa Parks Day promotes equal opportunities, civil rights, and fairness across communities in the U.S. Church leaders, politicians, and organizational leaders unite in states like California and Ohio to promote the day with a range of events and activities.

On December 1, 1955, African American seamstress Rosa Parks was traveling in a Montgomery City bus when the bus driver asked her to vacate her seat for a white man. Rosa Parks refused to leave her seat on the grounds of fairness, freedom and equality. As a result, she was arrested and convicted of violating the laws of segregation. She appealed her conviction and formally challenged the legality of separation.

Susan B. Anthony Day

Celebrated on February 15, Susan B Anthony Day marks the birthday of one of the United States' most prominent female civil rights leaders.

Susan Brownell Anthony is best known for promoting women's rights and starting up the women's suffrage in the United States. She was born in West Grove, Massachusetts, on February 15, 1820, and devoted most of her life to anti-slavery and women's rights, including the right to vote. She died of heart disease and pneumonia in Rochester, New York, on March 13, 1906.

In 1920, the "Anthony Amendment" was made to the U.S. constitution, which gave women the right to vote. She was the first American woman to have her likeness on a coin in the U.S.

FEBRUARY 1ST
NATIONAL
FREEDOM DAY

National Freedom Day is an observation in the United States that honors the signing of a resolution that proposed the 13th amendment of the nation's constitution on February 1, 1865. Abraham Lincoln, who was the president at the time, signed the resolution to outlaw slavery.

Major Richard Robert Wright Senior, a former slave who founded the National Freedom Day Association, played a crucial role in creating the observance. Major Wright was deemed as a community leader in Philadelphia and was active in education, the media, business and politics. He hope to see a day that would be dedicated to celebrating freedom for all Americans.

For some people, it is a time to promote good will, equality, and to appreciate freedom.

FAMILY SELF-SUFFICIENCY

Success

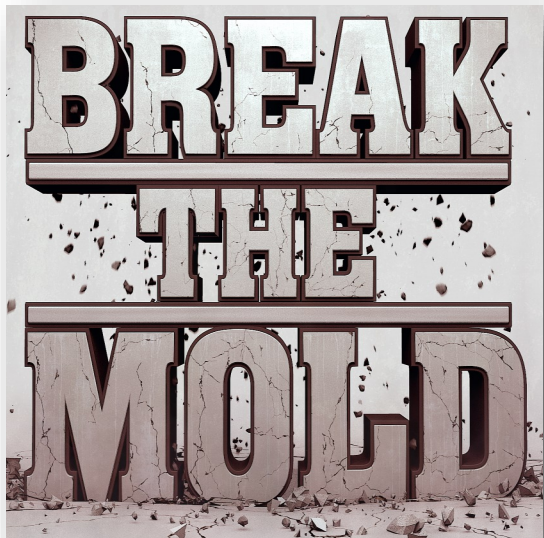

This month's success is Anna Simmons. Anna is a success in so many ways. Anna first became aware of the FSS program when she toured the NAHA FSS office. Anna had become homeless and was living in St Elizabeth's while she was preparing for the birth of her little girl. Anna said "When I met the FSS staff, it gave me hope". Soon after she applied and moved into her apartment. Things have been really good for Anna. She joined FSS and started working with her case manager. She got a job and signed up for any program that would impact her and her daughter in a positive way. One program in particular, 'Healthy Families' helped with parenting. Anna was chosen by Healthy Families as the 2017/2018 Wish Book Winner. Anna was highlighted in the Tribune and is going to receive much needed brand-new clothing, furniture, a washer-dryer & all kinds of baby nursery furniture. Anna was selected because of her beautiful spirit and willingness to work hard for her family. She has been given a new lease on life!
