STRONG Families Fun Fair

What a wonderful event!! Families enjoyed LIVE music, food, a bouncy house, free books, and more at our 1st Annual "STRONG Families Fun Fair" on May 16th, 2018. There were many opportunities for families to meet other community members and partners. The 5th/3rd E-bus came through with music and financial education. They provided one-on-one home ownership counseling, information on credit repair, and free credit reports. We even raffled off 2 bikes! We had a blast!

Hope to see you at our Back 2 School Bash on July 19th!!!!

COMMUNITY NEWS

Beginning **August 1st, 2018**, all new and current residents will be required to adhere to the new Smoke-Free Policy, which applies to all residents, guest, and employees.

There will be no smoking anywhere in the unit rented, in the building where the unit is located, or in any common area or any adjoining grounds, terraces, balconies, or other parts of the residential community. All New Albany Housing Authority property will be designated as a smoke-free living environment.

The term "smoking" means inhaling, exhaling, breathing, or carrying any lighted or heated cigar, cigarette, pipe, water pipe tobacco (hookahs), or other tobacco product or similar lighted product in any manner or in any form. This definition includes all e-cigarettes and other electronic nicotine delivery devices (ENDS).

If you are interested in learning more about a smoke free environment, or if you are a smoker who would like to quit smoking, the Housing Authority has resources to help. Please contact the office for more information.

FSS SUCCESS!

Our FSS highlight is ***Christina Huckleberry!*** Christina is an amazing young lady. Life, right before coming to New Albany Housing Authority, had taken her joy! Christina found herself in a very bad situation and felt that there was no way out. Christina had 2 small children and was in a very un-safe living situation. She had to reach deep down and pull upon her inner courage to break free. She went into a domestic violence shelter with her children and not long after that, she found herself moving into an apartment here in New Albany. Christina came down to the FSS office and met the friendly staff. She was assigned to Ms. Stacy, her personal FSS Case Manager. Christina began participating and volunteering to help staff FSS workshops. She was able to get referrals for services that helped her and her kids. Christina was able to get employment Services from the Office of Vocational Rehab. She was enrolled in a C.N.A. training program that was offered thru the Region 10 Adult Education and just started working at a local Senior Care Center. Christina is now smiling and happy. Her life has turned around! She has some great goals that she and Ms. Stacy are working on now! ***Congratulations to the beautiful Christina Huckleberry!***

Fireworks Safety

The summer heat, the smell of hamburgers and hot dogs on the grill, and the sound of fireworks can only mean one thing: it's the Fourth of July.

The Fourth of July can be a fun time with great memories. But before your family celebrates, make sure everyone knows about fireworks safety.

More fires are reported on the Fourth of July than on any other day of the year in the United States. Nearly half of these fires are caused by fireworks. The good news is you can enjoy your holiday and the fireworks, with just a few simple safety tips:

The safest way to enjoy fireworks is to attend a public display conducted by trained professionals.

Kids should never play with fireworks. Things like firecrackers, rockets, and sparklers are just too dangerous. If you give kids sparklers, make sure they keep them outside and away from the face, clothing, and hair. Sparklers can reach 1,800° Fahrenheit—hot enough to melt gold.

Only purchase legal fireworks with the manufacturer's name and directions; and store them in a cool, dry place.

Never try to make your own fireworks.

Always use fireworks outside and have a bucket of water and a hose nearby in case of accidents.

Steer clear of others—fireworks have been known to backfire or shoot off in the wrong direction. Never throw or point fireworks at someone.

Don't hold fireworks in your hand or have any part of your body over them while lighting. Wear some sort of eye protection, and avoid

carrying fireworks in your pockets—the friction could set them off.

Point fireworks away from homes, and keep away from brush, leaves and flammable substances.

Light one firework at a time and never relight a dud.

Don't allow kids to pick up pieces of fireworks after an event. Some may still be ignited and can explode at any time.

Soak all fireworks in a bucket of water before throwing them in the trash can.

Think about pets. Animals have sensitive ears and can be extremely frightened or stressed on the Fourth of July. Keep pets indoors to reduce the risk that they'll run loose or get injured.

If a fire occurs call 911 immediately. Do not try to put out a working fire yourself.

Teach everyone that if clothing catches on fire, stop running, drop to the ground, and roll to smother the flames. Fanning the flames make a fire burn faster. Shout for help. Don't run for help. Drop to the floor and cover your face. Roll back and forth to put out flames. Cool a burn with cool water.

Fireworks are meant to be enjoyed, but you'll enjoy them much more knowing your family is safe. Take extra precautions this Fourth of July and your holiday will be a blast!
